

Engineering Staff College of India

An Autonomous Organ of The Institution of Engineers (India)

(ISO 9001:2015 Certified Institution)

CIVIL / TRANSPORTATION ENGINEERING DIVISION

CALENDAR OF PROGRAMMES FOR THE YEAR 2021-22 (REVISED DRAFT PROPOSAL)

☎ :040-66304115 / 4134 / 4107 E-mail: cte@escihyd.org, website: www.escihyd.org

S. No	Programme Title	Duration / Days	Dates	Months	Offline / Online
1.	Project Management in Construction Industry	3 days	27 – 29	April	Online
2.	Contract Management and Dispute Resolution in Engineering Projects		05 – 07	May	Offline
3.	Geo-Synthetics & Reinforced Soil Structures		18 – 20		Online
4.	Quality Assurance & Quality Control in Civil Engineering Construction Projects		15 – 17	June	Online
5.	Concepts of ITS in Transportation and Taxonomy of ITS (New)		23 - 25		Online
6.	Repair Rehabilitation and Retrofitting of Buildings – Diagnosis and Repair Techniques		07 – 09	July	Offline
7.	Pavement Management Systems (Flexible, Composite and Rigid)		27 – 29		Online
8.	Testing Methods of Civil Engineering Materials & RMC Batching Plant		11 - 13	August	Offline
9.	Soil Investigations & Ground Improvement Techniques in Infrastructure Development		24 – 26		Online
10.	Flexible Pavements and Overlays - Design, Construction and Maintenance		06 – 08	September	Online
11.	Destructive & Non Destructive Testing Methods in Civil Engineering Structures		22 - 24		Offline
12.	Analysis for Structural Leakages and Treatment Methods (New)		4 - 6	October	Offline
13.	e-Procurement, e- Tendering and EPC Contracts in Projects (New)		26 - 28		Online
14.	Feasibility study & preparation of DPR for Roads, Buildings & Bridges of Engineering Projects (New)		16 - 18	November	Online
15.	High Rise Buildings – Planning, Design, Construction & Maintenance Techniques		24 - 26		Offline
16.	Contract Management and Arbitration (New)		08 - 10	December	Offline
17.	Safety Management in Construction and Occupational Civil Structures		14 – 16		Online
18.	Pre-fabricated Structures – Planning, Design and Construction		10 - 12	January 2022	Offline
19.	Statistical Quality Control (New)		19 - 21		Online
20.	National Building Code of India (NBC) – 2016 (Exposure on Regulatory Parts 2 to 4, 6 to 9) (New)		08 – 10	February 2022	Online
21.	Design, Construction & Maintenance of Rigid Pavements		23 - 25		Offline
22.	Asset Management for highway projects including HDM (New)		09 – 11	March 2022	Online

Note: Civil Engineering Transportation Division also undertake the following along with the above training programmes

- In-house training programmes on the above topics or as per the requirement of the organization.
- Consultancy on DPR, Quality control supervision, assessment of sustainability of structures, roads, structural health monitoring.
